

Scope of work:

The scope of work shall include (but not limited) to supply of aluminium display frames at all sites as per BOQ.

All the frames should be of aluminum finish. The clip frames should be designed for wall mounting purposes.

The clip frames should be able to open the front allowing a person to change posters easily and efficiently without removing the display frame from the wall.

All frames should be exterior frames due to the environment it will be displayed at and should have a UHI Acrylic to protect the posters being displayed.

Specifications of Frames required:

A0	<ul style="list-style-type: none">• Frame Width 24m/m, Clip 19m/m, (Total 43m/m)• Thickness 13m/m• Natural Anodised Aluminium• Single sided• Complete with Correx Backing and Non Reflective Sheet
